

Notice of Understanding and Intent And Claim of Right

Whereas it is my understanding Canada is a common law jurisdiction, and,

Whereas it is my understanding equality before the law is paramount and mandatory, and,

Whereas it is my understanding a statute is defined as a legislated rule of society which has been given the force of law, and,

Whereas it is my understanding a society is defined as a number of people joined by mutual consent to deliberate, determine and act for a common goal, and,

Whereas it is my understanding the only form of government recognized as lawful in Canada is a representative one, and,

Whereas it is my understanding representation requires mutual consent, and,

Whereas it is my understanding that in the absence of mutual consent neither representation nor governance can exist, and,

Whereas it is my understanding all Acts are statutes restricted in scope and applicability by the Constitution Act, and,

Whereas it is my understanding Section 32 of the Constitution Act limits it to members and employees of government, and,

Whereas it is my understanding those who have a SIN (Social Insurance Number) are in fact employees of the federal government and thus are bound by the statutes created by the federal government, and,

Whereas it is my understanding that it is lawful to abandon one's SIN, and,

Whereas it is my understanding people in Canada have a right to revoke or deny consent to be represented and thus governed, and,

Whereas it is my understanding if anyone does revoke or deny consent they exist free of government control and statutory restraints, and,

Whereas a Freeman-on-the-Land has lawfully revoked consent and does exist free of statutory restrictions, obligations, and limitations, and,

Whereas I, _____ am a Freeman-on-the-Land, and,

Whereas as I am a Freeman-on-the-Land who operates with full responsibility and not a child, I do not see the need to ask permission to engage in lawful and peaceful activities, especially from those who claim limited liability, and,

Whereas it is my understanding a by-law is defined as a rule of a corporation, and,

Whereas it is my understanding corporations are legal fictions and require contracts in order to claim authority or control over other parties, and,

Whereas it is my understanding legal fictions lack a soul and cannot exert any control over those who are thus blessed and operate with respect to that knowledge as only a fool would allow soulless fictions to dictate ones actions, and,

Whereas it is my understanding peace officers have a duty to distinguish between statutes and law and those who attempt to enforce statutes against a Freeman-on-the-Land are in fact breaking the law, and,

Whereas I have the power to refuse intercourse or interaction with peace officers who have not observed me breach the peace, and,

Whereas permanent estoppel by acquiescence barring any peace officer or prosecutor from bringing charges against a Freeman-on-the-Land under any Act is created if this claim is not responded to in the stated fashion and time,
